Louis M. Gerson Co., Inc.

EC Directive 89/686/EEC

EC Type-examination

Issue 1.

PPE Product

Gerson Signature One-step™ A1B1P2 valved half mask respirator with two permanently mounted filter cartridges for organic & inorganic vapours/gasses and two replaceable particulate pre-filter pads (G11E). This respirator is available in three nominal sizes: Small (product code: 8113E), Medium (8213E) & Large (8313E).

It is certified that the manufacturer's technical file and the above mentioned PPE have been assessed and found to be in accordance with the requirements of Council Directive 89/686/EEC. When examined the PPE satisfied the requirements of the relevant standard, which had been previously assessed and deemed to meet the basic health and safety requirements of the Directive, EN 405:2001 + prA1:2008 for a performance classification of FFA1B1P2 R.

The manufacturer's information notices (721065C & 721074C), in English, have been inspected and found to have addressed all of the relevant requirements of the standard. However, the detailed content of the information notice is the responsibility of the manufacturer, as are translations into other languages.

This certificate is issued on the strict condition that appropriate checks on manufactured PPE, as detailed in Article 11 of the Directive are implemented and maintained while the model is in production.

Certification is based on technical file G/8000 E/TF, Rev. E with supplements.
SGS Reference Number GB/PP 212164.
