

50 606 AERO CLEAN RAPID

product name:

- AERO CLEAN RAPID/ AERO CLEAN RAPID Spray

ingredients:

- surface-active agents, additives, water, alcohols

basic information:

- highly effective cleaning agent for **AERO COLOR® Professional**

characteristics:

- creep active
- for removing dried-on airbrush colours residues from spray-guns
- biodegradable

handling:

- Ideal for cleaning tools used with **AERO COLOR® Professional** like spray-guns or brushes.
- **AERO CLEAN RAPID** is ready to use, but can be diluted with water if necessary. The addition of water reduces the cleaning force.
- The fine cap allows a precise dosage and a cleaning of difficult to reach spots e.g. of spray-guns.
- All tools should be cleaned thoroughly with water after being treated with **AERO CLEAN RAPID**.
- Tools should not be exposed to cleaner longer than necessary.
- Submerge brushes only to the ferrule - in accordance to the used lacquers the product might also solve the varnish of the brush handle.
- Close immediately after use.
- Store in a cool and dry place.
- Individual pre-tests are required (see footer).

product labeling:

- Please refer to the individual safety data sheet on our website www.schmincke.de or www.aerocolor.de.
